

GRANDPARENTS PARENTING AGAIN SUPPORT GROUP

Support Groups are available now in Barrie, Bradford, Orillia and Midland with plans for support groups in local communities across Simcoe County. Support groups can provide a safe and confidential environment where grandparents can create relationships with others who understand and have lived experiences in similar situations. Grandparents can build on skills, resource share and network to build a community of support.

BARRIE Support Groups:

| Simcoe Community Services | Barrie Native Friendship Centre | Ontario Early Years Centre |
