**Direct Funding, Employment Law &
What They Mean to Families Hiring
Support Workers: Bill 47**

Ontario's newly elected government recently passed changes to Bill 148, now called Bill 47. This in-person or webinar session examines the various ways changes to this bill could impact people with a disability and their families regarding the costs of hiring and managing support workers.

About the Guest Speaker: Cheryl Wiles Pooran

Cheryl Wiles Pooran is an experienced human rights, labour and employment lawyer whose practice is dedicated to serving people with disabilities, their families and not-for-profit organizations in the social, disability and developmental service.
