

SOUTH SIMCOE

ASD

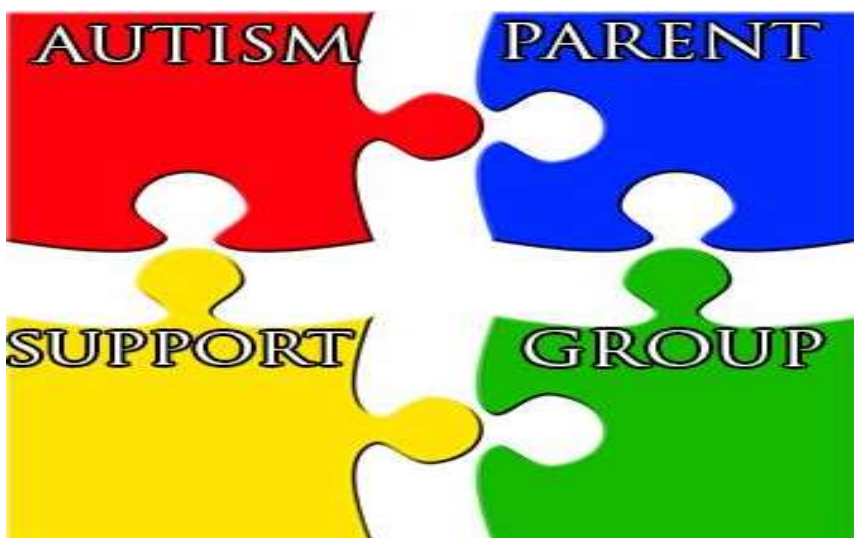

PARENT SUPPORT GROUP

LET'S TALK ABOUT IT

NEW to the world of Autism (ASD)? Feeling isolated?
YOU'RE NOT ALONE! Meet with others that "just get it"

We all face similar issues; learning about ASD and the impact it has on our lives, dealing with professionals, locating supports, securing funding and advocating on behalf of those we support. Whatever you are facing, someone else may have been down that road.

Join us in Alliston and find out how we can help each other by sharing our experiences and ideas in a supportive positive environment.

DROP IN!
