

INDOOR RECREATIONAL & MULTI  
SENSORY DISCOVERY SPACE

FIRST OF ITS KIND  
IN THE GTA!

## *Sensory Art, Music and Movement Exploration*

Recreational Respite and the Open Doorz Club are very excited to partner to provide a truly unique experience in this one of a kind space built for your child!

Join us for some skill-building through art, music, and movement activities while utilizing unique multi sensory equipment at the Open Doorz Club.

This program is created and run by a Recreational Therapist that will work on art projects, movement games and activities to enhance gross and fine motor skills and social skills that include: team work and cooperation. Participants will get much needed exercises and structured sensory exploration too!

All of this in the one of a kind Open Doorz Club - a recreational & multi sensory discovery environment strategically designed for children with sensory needs.

\*SSAH Funding can be used for this program\*
