

**JOIN US ON APRIL 17TH | 12 PM - 1 PM**

# **BARRIE COMMON ROOF LUNCH AND LEARN**

**On Wednesday, April 17, co-founder of Pollinate Barrie, Ashley Hammell, will join us as to explore the connection between the biodiversity crisis, bees and butterflies, and the plants in your garden.**

**Learn about the importance of native plants and how you can help save water, capture atmospheric carbon and swap yard work for a community of cool six-legged friends.**

**LIMITED SPOTS AVAILABLE!**

**RSVP**
