Music Therapy Series
Ages 1 to 4 and 5 to 8

Join CTN for a three-week, group music therapy series this summer! Move, play, sing and explore sounds with your child in a fun and interactive setting.

Music therapy helps kids with their communication, motor, play and social skills. It supports a child's emotion regulation in an engaging and inclusive way.

Age groups are a guideline. Choose the group that best fits your child's abilities.
