Be Social

Learn the Thinking Behind Social Skills!

- ✓ S.T.E.A.M.
- ✓ GROWTH MINDSET
- ✓ SOCIAL THINKING

All Autism Unplugged programs are based on the framework of Social Thinking. We help children to navigate and understand social expectations, explore thoughts and feelings, enhance self-regulations and form connections with their peers.

Our play based theme days include:

- Evidence based concepts of Social Thinking, S.T.E.A.M activities and Growth Mindset
- Targeted opportunities to practice with peers
- Sensory enhanced environment
