# Let's Make Music!

## Music Therapy Series for Preschoolers (ages 1 to 4)

Join CTN for a new, four-week group music therapy series! Move, play, sing and explore sounds with your child in a fun and interactive setting.

Music therapy helps kids with their communication, motor, play and social skills. It supports your child's emotion regulation in an engaging and inclusive way.

The series is led by our CTN Child and Family Wellness Program Coordinator and Music Therapist.
