### Why is drumming so great?

Our fun, multi-sensory skill building drumming programs combine motor movement with auditory and visual feedback to benefit children emotionally, physically, and socially.

### Social & Communication

Develops attention and listening skills while fostering communication, social interaction and peer scaffolding.

### Physical Skills

Supports fine and gross motor skills, eye-hand coordination, upper body control, and impulse control.

### Emotional Well Being

Promotes self regulation while improving self-esteem and promoting a sense of belonging.
