

School Entry: Virtual Caregiver Sessions (Simcoe)

Is your child starting school in Simcoe County? Join school-based Occupational Therapists to learn more about the transition to school. Each two-part virtual session will cover the following:

Part 1: School Readiness Skills and School-aged Therapy Services

Participants will learn:

- Ways to help your child get ready for school
- What school Occupational Therapy looks like in Simcoe County
- How the “tiered” Occupational Therapy model works in schools
- What supports are available and how they are accessed

Part 2: Regulation at Home and School

Participants will learn:

- What regulation means and how to support your child at home
- How schools help students with sensory and regulation needs
- Simple strategies schools use to make classrooms calm and sensory-friendly
