Un organisme du gouvernement de l'Ontario

**FREE** informative webinar is open to all parents of children with special needs.

**Our Occupational Therapist will discuss:**

1. Why do sensory skills impact my child's ability to self-regulate their behaviour?
2. How can practical strategies be used at home and school to improve learning, day to day activities, and social development?
3. How are schools trying to teach these skills and how can parents support their approach?
