

After an Autism Diagnosis

Caregiver Webinar

Finding support for your child,
your family and yourself by:

- Building a greater understanding of autism
- Learning about the autism community
- Receiving resources to navigate what's next
- Learning support strategies for yourself and child
- Hearing from CTN employees who have personal experience raising an autistic child

For more information and/or to request interpretation support, email nhuxtable@ctnsy.ca or call 647-549-0309.
