SENSORY SKATE

- FREE EVENT -

Wednesday, March 13th, 2019
12NOON to 2PM

East Bayfield Community Centre
80 Livingstone St. E., Barrie (Green Rink)

Sensory skate is designed to offer an opportunity for families with participants with physical or developmental disabilities that would typically be resistant to accessing our public/family skates due to overstimulating and busy environments. This environment will be sensory aware with dimmed lights, to create a more calm, slow moving and overall quieter space to experience skating. Friends and siblings are welcome too!

- All individuals must wear ice skates or ice cleats on ice
(if a participant uses a mobility device such as a wheelchair, support worker must still be on skates)
- Sledges, wheelchairs, walkers, and other adaptive devices permitted on ice
- CSA approved helmets encouraged for all individuals
- Sledges provided by CTN

Space is limited, please register. CTN families are welcome to attend ALL events in Simcoe & York

To register visit/click link: www.surveymonkey.com/r/STRHS5Y
