

One Step at a Time

Presented by Children's Treatment Network
and Kerry's Place Autism Services

Are you a parent or caregiver of a child who has received a diagnosis of Autism Spectrum Disorder in the last 6 months?

Join us for our session One Step at a Time through ZOOM Healthcare. This presentation will cover six topics:

1. An Overview of Autism Spectrum Disorder
2. Emotions after hearing the diagnosis
3. Sharing the diagnosis
4. Funding options
5. Family and caregiver support
6. Next steps

Our goal is for caregivers to connect with other caregivers, learn about local services and supports, and feel part of a larger autism community.

Register in advance for one of our upcoming sessions. Once registered, you will receive an email confirmation including the ZOOM link.
