Children's Treatment Network

MARKHAM | Bindi Patel

Recreation Coordinator - Programs and Outreach

905-477-7000 ext. 3638 | bpatel@markham.ca

Adapted Swimming – volunteer-driven and supervised by a specialized instructor, a 45 min program incorporates water exercise and basic learn-to-swim techniques for participants who require more hands-on assistance.

Also offer general group swim, semi and private lessons, as well as female only private, group and family swim lessons – 1:1 may available if requested based on staff availability – family would pay hourly wage of \$14.28/hr plus registration fees. 1:1 support in swimming is not therapeutically trained. External support provided by family is welcome.

Requesting Support:

- Complete intake form online prior to start of course (find on Markham City website)
- Provide 2 week notice for volunteer requests
