Adaptive Learn to Skate Program

*Do you have a child with special needs? Do you wish to have your child learn to skate in a safe and supportive environment that can be adapted to meet their needs?
If so, we have the program for you!*

.....
*Sunday Allandale Rec Center
January 9-March 13
5:40-6:20*
.....

Participation in our Adaptive Skating Program can help your child:

- 1) Get ready to enter other community based learn to skate and hockey programs
- 2) learn to skate to be able to go public or outdoor skating with family members and friends
- 3) If you wish, your child can remain in our program to learn advanced skating skills
