

Group Aim, Content, and Participants

Conversation Club is aimed at enhancing participants' conversation skills, such as initiating and maintaining conversations, participating in group discussions, and connecting with peers.

These groups are appropriate for adolescents who could benefit from social skills support with their daily interactions. Group programming is based on the well-established *Social Thinking*® curriculum. Sessions will include role-playing, use of videos, and other activities to practice conversational-based social skills. This group is facilitated by a Registered Speech-Language Pathologist and will take place in-person at the clinic. Policies and procedures related to COVID-19 will be enforced to ensure the safety of participants and staff members.*

A complimentary pre-group screening is offered to determine group appropriateness.

Group Information

Duration

60 minutes

Length

8 weeks

Cost

\$528.00 CAD**

Dates and Time

Session 1: Thursdays from October 6 – November 24, 2022; 5:45 – 6:45 p.m. (Grades 6 to 8)

Session 2: Thursdays from October 6 – November 24, 2022; 7:00 – 8:00 p.m. (Grades 9 to 12)

*Participants must pass a COVID-19 screening prior to entering the group each week. Mask-wearing, sanitization, and social distancing measures will be implemented. Currently, participants 12 years + must show proof of COVID-19 vaccination in order to participate in group programs. Boomerang Health reserves the right to amend our vaccine policy to include all eligible individuals for vaccination at any time.

**Check with your insurance provider for coverage.
