

Group Aim, Content, and Participants

Social Butterflies Group Therapy is aimed at helping children in JK and SK in the area of social skills. Participants will learn core concepts from the well-established *We Thinkers!*® curriculum. This program will combine social learning with music and play activities in order to engage children in learning social concepts in a fun and dynamic environment.

Sessions will include exploration of social stories and hands-on activities that will stimulate participants' curiosity and interest in important *Social Thinking*® concepts. Sessions will take place in-person at the clinic. Policies and procedures related to COVID-19 will be enforced to ensure the safety of participants and staff members.*

This group is facilitated by a Registered Speech-Language Pathologist.

A complimentary pre-group screening is offered to determine group appropriateness.
