CHILDREN AND YOUTH

SOCIAL AND EMOTIONAL DEVELOPMENT IN THE EARLY YEARS

Thursday, Apr. 24, 2025
6:30 to 8 p.m. - Virtual

Learn more about social and emotional development in young children. Gain insights into how caregivers can support children's emotional growth and navigate behaviors.

Receive tips and resources and have your questions answered live from our clinicians in the areas of:

- What is “normal” social and emotional development in children ages 0-6
- What are factors that contribute to children's behaviour
- How parents, families, and caregivers can help
