

Jump Math!

JUMP Math is an individualized tutoring program for students aged 8-14 who are performing a minimum of one year behind in the area of math due to a diagnosed, identified, or suspected math disability (dyscalculia), and who are showing signs of math anxiety.

Participants work in small groups (4) with a trained numeracy tutor to build foundational math skills and computational fluency. Sessions are taught using a combination of direct instruction and engaging math games and activities. Participants are also able to set goals and visualize their progress throughout the program in order to foster math confidence.

Program will be offered in person at 4 locations:
Markham, Richmond Hill, Newmarket or Maple at 6pm-7pm

Program will also be offered virtually at 10am-11am or 1pm-2pm

Program will be offered on the following dates:

July

4th, 6th, 11th, 13th, 18th, 20th, 25th, and 27th

August

3rd, 8th, 10th, 15th, 17th, 22nd, 24th, and 29th
