

Foundational Services June Workshop Series

This is a workshop series for families who have a child with a diagnosis of Autism Spectrum Disorder and are registered with The Ontario Autism Program (OAP).

Details:

All workshops are for families with children up to age 17 (unless otherwise noted) with a diagnosis of Autism Spectrum Disorder and are registered with The Ontario Autism Program (OAP).

Join and learn:

- what to do and anticipate after receiving a diagnosis of ASD
- tips and strategies to help your child transition
- about different funding options available for families with children with ASD and other developmental disabilities
- different strategies of how you can advocate for your child
- successful advocacy skills to obtain the best supports for your child
- 5 most relevant skills to support your child in living independently now and in the future
- how to help your child to self advocate as part of developing independence

Location:

Virtual. Details to be provided upon registration.
