CTN & STEM Minds Try It Events

Calling all kids and youth ages 8 to 14 with disabilities and developmental needs. CTN and STEM Minds are collaborating to offer an exciting six-week program to explore STEM topics like coding, video game design and animation. You are welcome to register with friends and/or siblings for one or all of the sessions.

Every other Wednesday- 5:30 p.m. – 7 p.m. -
STEM Minds - 212 Earl Stewart Dr Unit #3, Aurora

- Wednesday, March 29 - Coding with Code-A-Pillar & Scratch
- Wednesday, April 12 - Computer Animation
- Wednesday, April 26 - Lego Building Challenge
- Wednesday, May 10 - Video Game Design with Bloxels
- Wednesday, May 24 - Coding/Robotics
- Wednesday, June 7 - Coding – Kodable

This is not a drop of program. Please remain with your child during the duration of the activity. Each participant is required to have an individual registration completed. Ipads or laptops will be provided.
