Come and try indoor rock climbing with CTN and Reach Indoor Rock Climbing!

This Try-It Session will provide an opportunity for kids and youth with disabilities and developmental needs to try rock climbing with members of Reach's team who are trained in adaptive climbing. During this session, the therapeutic team will assess each participant to determine their individual needs and support requirements.

There are two timeslots to choose from. Due to the limited space, we kindly ask that if you are interested in bringing a sibling/friend, only a max of two siblings/friends per family attend.

Please note that this is NOT a free event. It has a cost of \$33.41/person.
