

One Step at a Time

Webinar for families with a new autism diagnosis

“One Step at a Time” participants will:

- Build a greater understanding of autism
- Learn about the autism community
- Connect with other families
- Receive resources to navigate next steps
- Learn support strategies for themselves and their child
- Hear from CTN employees that have lived experience raising an autistic child
- Opportunity to attend an optional follow-up coffee chat next day

For more information and/or to request interpretation for this session, please contact:
osaat@ctnsy.ca
