Pickering

Challenger Baseball with the Pickering Baseball Association

Pickering Challenger Baseball is an adaptive baseball program designed to empower children and youth living with cognitive and/or physical disabilities. The program teaches children and youth the core life skills inherent to baseball including: teamwork, communication, determination, resiliency, inclusion, support and courage. Challenger Baseball ensures every participant has the opportunity to play in a fun and safe environment where they learn to become more independent, build confidence and self-esteem, improve their communication skills, and set and achieve their own personal goals.
