Newmarket

Newmarket Soccer Club

Newmarket Soccer is proud to provide a Special Needs Soccer Program for our community and North York Region. This Program launched in 2015 with the goal of providing a nurturing, engaging, and positive environment for all-abilities to participate in the "beautiful game". During the first season, we had over 30 participants and countless volunteers making this program possible. Since then, we have transitioned to all-year programs, offering both winter and summer sessions.
