

After an Autism Diagnosis

Note: This webinar was formerly referred to as One Step at a Time

Upcoming Dates:

Caregiver Webinar

Finding support for your child, your family and yourself by:

- Building a greater understanding of autism
- Learning about the autism community
- Receiving resources to navigate what's next
- Learning support strategies for yourself and your child
- Hearing from CTN employees that have similar experiences raising an autistic child

Optional follow-up coffee chat offered to participants quarterly.

For more information and/or to request interpretation for this session, please contact: smackenzie@ctnsy.ca.
